

Rimo Interior Display Stand

The Rimo range offers a versatile alternative for interior poster and sign display.

- * Designed for the retail environment, Rimo stands are custom made in a large range of sizes and configurations. Suitable for posters and other printed substrates up to 5mm thick. Minimum order quantities apply.
- * Choose from fixed or multi-height adjustable models.
- * All variants feature easy change top loading display units.
- * Durable powdercoated steel / anodised aluminium construction.
